Ms. Salina,

Well, I already have a meeting scheduled for 10:30 AM on Monday morning - anyway we can get an afternoon timeslot? About 1:30 or 2:00 PM? That would be amazing if you could possibly get a person with the permitting section to join in on the call.

Thank you,

James

I'm available Monday, does 10am work for everyone?

For our meeting will this be a general discussion or would you like me to invite anyone else in regards to permits section, please let me know. Thanks!
